Support the Hospice Tairawhiti Endowment Fund

Hospice Tairawhiti provides community based hospice care for the people of Tairawhiti, from Morere to Potaka.

Hospice or palliative care is specialised care for patients who are terminally ill. Their focus is on improving quality of life for the patient and providing support for the family. They do this by providing practical advice, physical, emotional, and spiritual support, with the emphasis on pain relief and symptom management. The service includes family support and grief and bereavement care.

Hospice care has a unique whole person approach – which means physical, spiritual, emotional and social needs are equally important – a multidisciplinary team provides care for the person who is dying and their families and friends, both before and after a death.

As with all hospice palliative care services throughout New Zealand, the majority of their funding comes by way of grants and donations.

Your donation to the Hospice Tairawhiti Endowment Fund at the Sunrise Foundation will support Hospice as they help our community now and in the future.

Any donation that you make will be invested and grown each year in line with inflation. The surplus investment income will be granted back to Hospice Tairawhiti every year, meaning that your donation will keep supporting them forever.

- We invest funds for the long term
- We use income from investments to provide grants for local causes that are important to you

About Sunrise

The Sunrise Foundation, a community endowment foundation, is a simple and lasting way to support local charities, organisations and causes that are important to you. Although new to New Zealand, community foundations are the fastest growing form of philanthropy worldwide and have been operating in North America for over 100 years.

The strength of the endowment model is that all donations and bequests are held as permanent endowments. Funds are invested and each year enough is retained to ensure that endowments grow in line with inflation, the surplus investment income is available as grants.

The Sunrise Foundation is an organisation for local people to give for local needs, to help build a strong future for the Gisborne District forever.

Who runs Sunrise?

Sunrise has a volunteer board of nine trustees who provide a robust governance and succession model. The Trustees are a group of respected and trusted individuals from within the local community.

The Trustees support the Executive Officer and committees such as the Investment Advisory Committee and the Grants Committee. These committees include both Trustees and local expert volunteers.
