Surf Lifesaving Gisborne

Lifeguards patrol our beaches through the long summer months, identifying potential danger spots, constantly on the lookout for swimmers in distress. We rely on our people in red and yellow to provide safety in the surf.

Surf lifesaving is both a community service and a sport. Generations of children have learnt life skills at our clubs - lifesaving, first aid, leadership, teamwork and communication - as well as the opportunity to participate in competitions in Gisborne and at events around New Zealand.

Surf lifesaving is predominantly run by volunteers and relies on sponsorship and donations from the community. Our clubs need financial support to help them carry out the important work they do every summer to prevent drowning and injury.

Any donation you make will be invested, protected and grown each year in line with inflation. The surplus investment income is available as grants to surf lifesaving in the Gisborne District, meaning your donation will keep supporting surf lifesaving in our region forever.

What does the Sunrise Foundation do?

- We raise funds from donations and legacies
- We invest funds for the long term
- We use the income to provide grants for charities and organisations in the Gisborne District

Sunrise is a simple and lasting way to support local charities, organisations and causes that are important to you. You can support causes that are close to home and close to your heart.

As a community endowment foundation, Sunrise is all about capital preservation, all donations are invested, protected and grown to keep up with inflation. The surplus investment income is granted to needy causes throughout the Gisborne District.

Sunrise is an organisation for local people to give for local needs, to help build a strong future for Gisborne/Tairāwhiti forever.

Who runs Sunrise?

Sunrise has a volunteer board of nine trustees who provide a robust governance and succession model. The trustees are a group of respected and trusted individuals from within the local community.

The trustees support the executive officer and the Investments and Grants Committees. The committees include both trustees and local expert volunteers.
