Support the Gisborne Rowing Club Endowment Fund

The Gisborne Rowing Club was established in 1874 and is the only club in the Gisborne area providing coaching and support for rowers of all ages and abilities.

The Club has been largely self-sufficient over its history, sourcing sheds and boats through community support, fundraising and occasional grants.

The majority of the club are young people between the ages of 13 and 22. They attend several club and school regattas around New Zealand every year.

Rowing is a disciplined sport requiring determination and fitness. The coaches at Gisborne Rowing Club ensure that their protégés learn traits which continue to influence their lives and are reflected in study and future work ethics.

Gisborne Rowing Club has a long proud history and to help it flourish well into the future they have established the Gisborne Rowing Club Endowment Fund with the Sunrise Foundation.

Any donation that you make will be invested and grown each year in line with inflation. The surplus investment income will be granted back to the Gisborne Rowing Club every year, meaning that your donation will keep supporting them forever.

The annual income will help with the upkeep of the Club's facilities, purchase and maintenance of equipment, and club regatta attendance.

What does the Sunrise Foundation do?

- We raise funds from donations and legacies
- We invest funds for the long term
- We use income from investments to provide grants for local causes that are important to you

About Sunrise

The Sunrise Foundation, a community endowment foundation, is a simple and lasting way to support local charities, organisations and causes that are important to you. Although new to New Zealand, community foundations are the fastest growing form of philanthropy worldwide and have been operating in North America for over 100 years.

The strength of the endowment model is that all donations and bequests are held as permanent endowments. Funds are invested and each year enough is retained to ensure that endowments grow in line with inflation, the surplus investment income is available as grants.

The Sunrise Foundation is an organisation for local people to give for local needs, to help build a strong future for the Gisborne District forever.

Who runs Sunrise?

Sunrise has a volunteer board of nine trustees who provide a robust governance and succession model. The Trustees are a group of respected and trusted individuals from within the local community.

The Trustees support the Executive Officer and committees such as the Investment Advisory Committee and the Distributions Advisory Committee. These committees include both Trustees and local expert volunteers.

Donations during your lifetime
