*In memory of*  
**Rosemary Johnson**  
1943 - 2018

## **Rosemary Johnson**

was a hard worker, she never complained, she rolled up her sleeves and got on with whatever needed doing.

**Graham Johnson and his family established this fund in Rosemary's name to thank Hospice Tairāwhiti for the care and attention they received during Rosemary's time of illness.**

Graham and Rosemary Johnson met in 1961 and spent 57 happy years together buying and developing farms, most of that time in Gisborne. They bought up three boys, who continue to farm in the area and together they were a strong and loving team.

Rosemary was a hard worker, she never complained, she rolled up her sleeves and got on with whatever needed doing. Her pleasure was gardening and planting trees. The beautiful environment she created at their farm The Willows is a legacy to her talents.

When Rosemary was unwell Hospice Tairāwhiti were absolutely marvelous and her family can't speak highly enough of the contribution Hospice Tairāwhiti made to them all at a time of great sadness.

They are grateful for the compassionate support they received from Hospice Tairāwhiti in what was a in a very trying time and hope the Rosemary Johnson Fund can make some contribution towards helping Hospice Tairāwhiti support other families during their time of sadness.

Rosemary's fund has been invested in perpetuity (forever). Every year some of the investment income will be retained to ensure the fund grows in line with inflation and is protected from future market fluctuations, the balance will granted back to Hospice Tairāwhiti every year, forever.

# Leave a lasting legacy

## What does Sunrise do?

- We raise funds from donations and legacies
- We invest funds retaining the capital and generating income
- We use income from investments to provide grants for local charities and organisations

**The Sunrise Foundation is a simple and lasting way to support local charities, organisations and causes that are important to you.**

You can choose to donate to Sunrise's General Fund or your favourite charity or cause through a special interest fund. You can support causes that are close to home and close to your heart.

Sunrise is an organisation for local people to give for local needs, to help build a strong future for Tairāwhiti-Gisborne forever.

## The value of a donation to Sunrise

All donations and bequests to Sunrise are invested in endowment funds in perpetuity (forever). Every year some of the investment income is retained to ensure the donation grows in line with inflation and is protected from future market fluctuations, the balance is granted back to the community.

Over 20 years your donation will double in size and grants to the value of your original donation will have been granted to worthy causes.

Over 50 years your donation and the total grants to our community will be 5 times more than your original donation.

## Leave a legacy in your will

When making a will many people want to give something back to their community, or leave a bequest to their favourite charitable cause. It's a common misconception that only wealthy people leave money to charity when they pass away. Gifts in wills, or bequests, are not just made by the rich and famous.

The reality is most bequests are made by ordinary, hard working people who want to make a positive difference in their community and to other people lives. You may consider leaving a percentage of your estate or a specified sum to Sunrise in your will, knowing it will keep on giving back to our community forever. Your gift can be added to the Sunrise General Fund, a named fund, or one of our special interest funds.

## Donations during your lifetime

You can gift donations of any size, every little bit helps. Not only will you get to see your gift working for your community, your donation will also qualify for a tax rebate of 33.3% up to the limit of your taxable income.
