**Eastwoodhill
Arboretum
Endowment Fund**

Eastwoodhill was established in 1910 and is regarded as the largest and most comprehensive collection of Northern Hemisphere trees south of the equator. **Eastwoodhill** is considered an arboreal ark as many of the plants and trees are threatened species.

As important as it is to preserve the past the current custodians are committed to growing and securing the arboretum's future. They have established the **Eastwoodhill Arboretum Endowment Fund** to ensure the survival of this globally significant collection and support the future development of the arboretum

Any donation you make will be invested, protected and grown each year in line with inflation. The surplus investment income will be granted back to **Eastwoodhill Arboretum** every year, meaning your donation will keep supporting them forever.

If you would like more information on how you can make a difference for **Eastwoodhill Arboretum** call Glenda at the Sunrise Foundation on 06 867 7939 or glenda@sunrisefoundation.org.nz.

Leave a lasting legacy

What does Sunrise do?

- We raise funds from donations and legacies
- We invest funds retaining the capital and generating income
- We use income from investments to provide grants for local charities and organisations

The Sunrise Foundation is a simple and lasting way to support local charities, organisations and causes that are important to you.

You can choose to donate to Sunrise's General Fund or your favourite charity or cause through a special interest fund. You can support causes that are close to home and close to your heart.

Sunrise is an organisation for local people to give for local needs, to help build a strong future for Tairāwhiti-Gisborne forever.

The value of a donation to Sunrise

All donations and bequests to Sunrise are invested in endowment funds in perpetuity (forever). Every year some of the investment income is retained to ensure the donation grows in line with inflation and is protected from future market fluctuations. The balance is granted back to the community (and in the case of the Eastwoodhill Arboretum fund to Eastwoodhill) each and every year forever.

Over 20 years your donation will double in size and grants to the value of your original donation will have been granted to worthy causes. Over 50 years your donation and the total grants to our community will be 5 times more than your original donation.

Leave a legacy in your will

When making a will many people want to give something to their community, or leave a bequest to their favourite charitable cause. It's a common misconception that only wealthy people leave money to charity when they pass away. Gifts in wills, or bequests, are not just made by the rich and famous. The reality is most bequests are made by ordinary, hard working people who want to make a positive difference in their community and other people's lives. You may consider leaving a percentage of your estate or a specified sum in your will to the Eastwoodhill Arboretum Endowment Fund, confident in the knowledge your bequest will be an enduring legacy for Eastwoodhill.
