Hospice Tairawhiti
Endowment Fund

Hospice Tairawhiti

provides community based hospice care for the people of Tairawhiti, from Morere to Potaka.

Hospice care has a unique whole person approach – which means physical, spiritual, emotional and social needs are equally important – a multidisciplinary team provides care for the person who is dying and their families and friends, both before and after a death.

Hospice or palliative care is specialised care for patients who are terminally ill. Their focus is on improving quality of life for the patient and providing support for the family. They do this by providing practical advice, physical, emotional, and spiritual support, with the emphasis on pain relief and symptom management. The service includes family support and grief and bereavement care.

As with all hospice palliative care services throughout New Zealand, the majority of their funding comes by way of grants and donations.

Any donation you make will be invested, protected and grown each year in line with inflation. The surplus investment income will be granted back to **Hospice Tairawhiti** every year, meaning your donation will keep supporting them forever.

If you would like more information on how you can make a difference for **Hospice Tairawhiti** call Glenda at the Sunrise Foundation on 06 867 7939 or glenda@sunrisefoundation.org.nz.
