Gisborne Land Search and Rescue

has been searching for and rescuing lost, missing and injured people for nearly 60 years. Their specialist search and rescue skills are available 24 hours a day, 7 days a week.

Rescue volunteers have a wide spread of expertise across many fields and regularly clock up over 5,000 hours a year.

SEARCH & RESCUE
LAND SAR
GISBORNE

Gisborne Land Search and Rescue do a vital job, many times in trying situations. Although it's a service none of us hopes we'll have to call on, it is reassuring to know that if in need we have a group of capable and professional rescuers to help.

Although well supported by organisations such as the police and their national body they cannot run a full search without supplementary equipment, over and above that supplied by third parties, and require specialised equipment and continual training of volunteer rescuers.

Any donation you make to the **Gisborne Land Search and Rescue** Fund will be invested, protected and grown each year in line with inflation. The surplus investment income will be granted back to **Gisborne Land Search and Rescue** every year, meaning your donation will keep supporting them forever.

Leave a lasting legacy

What does Sunrise do?

- We raise funds from donations and legacies
- We invest funds retaining the capital and generating income
- We use income from investments to provide grants for local charities and organisations

The Sunrise Foundation is a simple and lasting way to support local charities, organisations and causes that are important to you.

You can choose to donate to Sunrise's General Fund or your favourite charity or cause through a special interest fund. You can support causes that are close to home and close to your heart.

Sunrise is an organisation for local people to give for local needs, to help build a strong future for Tairāwhiti-Gisborne forever.

The value of a donation to Sunrise

All donations and bequests to Sunrise are invested in endowment funds in perpetuity (forever). Every year some of the investment income is retained to ensure the donation grows in line with inflation and is protected from future market fluctuations. The balance is granted back to the community (and in the case of the LandSAR fund to Gisborne Land Search and Rescue) each and every year forever.

Over 20 years your donation will double in size and grants to the value of your original donation will have been granted to worthy causes. Over 50 years your donation and the total grants to our community will be 5 times more than your original donation.

Leave a legacy in your will

When making a will many people want to give something to their community, or leave a bequest to their favourite charitable cause. It's a common misconception that only wealthy people leave money to charity when they pass away. Gifts in wills, or bequests, are not just made by the rich and famous. The reality is most bequests are made by ordinary, hard working people who want to make a positive difference in their community and other people's lives. You may consider leaving a percentage of your estate or a specified sum in your will to the Gisborne Land Search and Rescue Endowment Fund, confident in the knowledge your bequest will be an enduring legacy for land search and rescue in our district.
