Makaraka School
Endowment Fund

Makaraka School

is bringing back 'old school' values. Their vision of risk and adventure is about continuing to grow and be better than before. It helps kids be more active, healthy and confident.

Makaraka Schools continued success is due to their vision of 'risk taking and adventure'. They challenge their learners to think about and analyse the risk involved in every situation and to understand that making mistakes is an important part of the learning process.

Any donation you make will be invested, protected and grown each year in line with inflation. The surplus investment income will be granted back to **Makaraka School** every year, meaning your donation will keep supporting them forever.

Leave a lasting legacy

What does Sunrise do?

- We raise funds from donations and legacies
- We invest funds retaining the capital and generating income
- We use income from investments to provide grants for local charities and organisations

The Sunrise Foundation is a simple and lasting way to support local charities, organisations and causes that are important to you.

You can choose to donate to Sunrise's General Fund or your favourite charity or cause through a special interest fund. You can support causes that are close to home and close to your heart.

Sunrise is an organisation for local people to give for local needs, to help build a strong future for Tairāwhiti-Gisborne forever.

The value of a donation to Sunrise

All donations and bequests to Sunrise are invested in endowment funds in perpetuity (forever). Every year some of the investment income is retained to ensure the donation grows in line with inflation and is protected from future market fluctuations. The balance is granted back to the community (and in the case of the Makaraka School fund to Makaraka School) each and every year forever.

Over 20 years your donation will double in size and grants to the value of your original donation will have been granted to worthy causes. Over 50 years your donation and the total grants to our community will be 5 times more than your original donation.

Leave a legacy in your will

When making a will many people want to give something to their community, or leave a bequest to their favourite charitable cause. It's a common misconception that only wealthy people leave money to charity when they pass away. Gifts in wills, or bequests, are not just made by the rich and famous. The reality is most bequests are made by ordinary, hard working people who want to make a positive difference in their community and other people's lives. You may consider leaving a percentage of your estate or a specified sum in your will to the Makaraka School Endowment Fund, confident in the knowledge your bequest will be an enduring legacy for Makaraka School.
