and Associated  
Sports Club**  
Endowment Fund

## **Ngatapa Rugby and Associated Sports Club**

strives to nurture a positive,  
supportive environment  
for the community to  
participate, learn and grow  
within their sporting codes.

**They aim to cater for  
everyone, especially young  
people that may not normally  
have sporting opportunities  
available to them.**

Ngatapa was established over sixty years ago and has grown from a small country sports club to over 500 members, many of whom are from town and others coming from as far afield as Tolaga, Matawai and Mahia.

They hope to inspire success through sports by providing guidance and positive role models. They are fortunate to have people who choose to share their time and skills with the club. The commitment of those volunteers helps members to grow in their sport, as well as promoting fair-play and respect for others.

Any donation you make to the Ngatapa Fund will be invested, protected and grown each year in line with inflation. The surplus investment income will be granted back to Ngatapa every year, meaning your donation will keep supporting them forever.

## What does Sunrise do?

- We raise funds from donations and legacies
- We invest funds retaining the capital and generating income
- We use income from investments to provide grants for local charities and organisations

**The Sunrise Foundation is a simple and lasting way to support local charities, organisations and causes that are important to you.**

You can choose to donate to Sunrise's General Fund or your favourite charity or cause through a special interest fund. You can support causes that are close to home and close to your heart.

Sunrise is an organisation for local people to give for local needs, to help build a strong future for Gisborne/Tairāwhiti forever.

## The value of a donation to Sunrise

All donations and bequests to Sunrise are invested in endowment funds in perpetuity (forever). Every year some of the investment income is retained to ensure your gift grows in line with inflation and is protected against investment market fluctuations. The balance of the income from investments is distributed to worthy causes throughout the Gisborne District each and every year forever.

Over 20 years your donation will double in size and grants to the value of your original donation will have been granted to worthy causes. Over 50 years your donation and the total grants to our community will be 5 times more than your original donation.

## Leave a legacy in your will

When making a will many people want to give something to their community, or leave a bequest to their favourite charitable cause. It's a common misconception that only wealthy people leave money to charity when they pass away. Gifts in wills, or bequests, are not just made by the rich and famous. The reality is most bequests are made by ordinary, hard working people who want to make a positive difference in their community and to other people's lives. You may consider leaving a percentage of your estate or a specified sum in your will to the Ngatapa Rugby and Associated Sports Club Endowment Fund, confident in the knowledge your bequest will be an enduring legacy for the club.
