Support the  
**Swim for Life  
Tairawhiti**  
Endowment Fund

## **Swim for Life Tairawhiti**

delivers swim and survival education to over 2,800 students per year, from Manutuke to Potaka, helping them to become confident and safer in the water.

**Programmes are targeted at low decile schools where parents are often unable to support extra-curricular activities such as swimming.**

**Swim for Life Tairawhiti's** programmes are important in a region such as ours which has so many aquatic based activities. They provide children with fundamental water skills to increase their enjoyment and participation in a variety of water situations. Their goal is to reverse the decline in children's swimming ability and help our region work towards a consistent record of no drowning. Your donation will help them provide swimming education for those in our community that need it most.

Any donation you make will be invested, protected and grown each year in line with inflation. The surplus investment income will be granted back to **Swim for Life Tairawhiti** every year, meaning your donation will keep supporting them forever.
