

Can you give up a cup of coffee a week ?

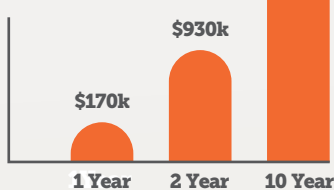

Sunrise WORKPLACE Giving

Donate
as little as

\$5

Your donation
will help our
community
forever.

For the price
of a cup of
coffee

If just one percent of the
Gisborne district's population
donated \$5 a week that
would grow to over
\$2 million in ten years.
All for the price of
a cup of coffee a week

What does Sunrise do?

- We raise funds from donations and legacies
- We invest the donations (protecting the capital)
- We use the investment income to gift grants to charities and organisations in Gisborne/Tairāwhiti.

Sunrise is local giving for local needs.
All money raised here, stays here.

Can you give up a cup of coffee a week ?

Donating to The Sunrise Foundation is a simple and lasting way to support local charities, organisations and causes that are close to home and close to your heart.

You can make regular donations through workplace giving. Not only is it an easy way to donate, there is also the added bonus of an immediate tax benefit. If you donate \$7.50, the government pays \$2.50 of that, meaning only \$5 is deducted from your pay packet.

Workplace giving is a powerful way for our community to support itself and build a strong legacy for the future. Just one percent of the Gisborne district's population donating \$5 a week would be \$170,000 per year and would grow to over \$2 million in ten years – all for the price of a cup of coffee a week.

At Sunrise we are all about capital preservation (all donations are invested and protected for the future, every year the interest is distributed as grants) meaning your donation will keep on supporting our community forever. And we are all about Gisborne/Tairāwhiti - all money raised here, stays here.

Donate as little as \$5 a week through Sunrise Workplace Giving and your donation will help those in need in our community forever.
